# STRONGER COMMUNITIES **PROGRAMME**

## **FACT SHEET** FOR LOCAL ORGANISATIONS IN WRIGHT

As your Federal Member for Wright, I'm pleased to announce that Round 10 of the **Stronger Communities Programme** is now open.

This programme delivers real benefits in our local area. Our electorate of Wright has been allocated a total of $150,000 to fund up to 20 local projects - to help upgrade community infrastructure, boost local participation, and build a more vibrant community.

Funding can cover up to 100 per cent of eligible project costs for incorporated not-for-profit organisations. Community consultation is a central part of this programme and as your local Federal MP, I will be working alongside a local committee to identify and nominate the best projects from our region.

If your organisation has an eligible project in mind, please contact my office for more information to help you get started. You can also see the full guidelines at www.scottbuchholz.com.au/scp

**We live in a great part of Australia** and as your Federal MP I will always fight in Canberra for what we need right here.

Yours sincerely,

The Hon. Scott Buchholz MP
Federal Member for Wright

### INFO AT A GLANCE

- Total funding for Wright is up to $150,000 with a maximum of 20 projects.
- The grant amount will be up to 100% of eligible project expenditure or up to 50% for local governing bodies.
- Minimum grant is $2,500.
- Maximum grant is $20,000.
- Maximum cost of your project cannot exceed $50,000.
- You are responsible for the remaining eligible and ineligible project expenditure (where applicable).
- You must complete your project by 31 March 2028.
- To be eligible you must be invited to apply by Scott Buchholz MP and have an ABN.
- Nominations close 5.00pm AEDT on 30 November 2026.
- Applications close 5.00pm AEDT on 19 January 2027.

### GRANTS CAN SUPPORT PROJECTS THAT:

- Encourage interstate or international tourism
- Commemorate Australians killed or injured in war, or who contributed to the war effort
- Support veterans, defence force members and their families
- Benefit students through library, ICT or community facility upgrades
- Foster the use of electronic communications (websites, apps, CRM systems, AV/ICT equipment)
- Provide medical services or facilities (e.g. defibrillators, first aid rooms)
- Support children's mental and physical health, or community tolerance and social cohesion
- Reduce greenhouse gas emissions (e.g. energy-efficient appliances)
- Build climate adaptation and resilience or protect native flora and fauna
- Improve access to public infrastructure for people with disability
- Support children's access to travel, accommodation, education or health infrastructure
